Accompanied by Mr. [REDACTED] the Agency's local representative, I will be at [REDACTED] the 28th and 29th of this month to interview persons who may be interested in employment opportunities with the Central Intelligence Agency. We will be interested in talking with able economists at all levels of experience and training who would like to hear what the Central Intelligence Agency has to offer. We are primarily interested in those people with a substantial amount of graduate training.

Any leads will be sincerely appreciated and it will be a pleasure to see you again.

Sincerely yours,
